

- Voluntary Certificate -

## Certificate of conformity of the factory production control 11245-01/18

This certificate applies to the construction products according to UNE-EN 13813:2014-11-05

### **Screed material and floor screeds - Screed material - Properties and requirements**

placed on the market under the name or trade mark of

**RINOL ROCLAND R&T, S.A.**  
C/La Marga, s/n  
Seseña Nuevo  
45224 Toledo / Spain

and produced in the manufacturing plant **Seseña Nuevo / Toledo - Spain**

These products are submitted by the manufacturer to a factory production control.

Kiwa GmbH Polymer Institut, Germany, has performed the initial inspection of the factory and of the factory production control and performs a voluntary continuous surveillance, assessment and evaluation of the factory production control. This certificate attests that all provisions concerning the attestation of factory production control were applied.

The voluntary surveillance follows the basics of the questionnaire P 11245 for checking the factory production control.

The characteristics of the products are tested according to the following standard:

### **UNE-EN 13813:2014-11-05**

This certificate was first issued on 16.01.2018 and remains valid as long as the technical conditions or manufacturing conditions in the factory or the FPC itself are not modified significantly or it is withdrawn by the certification body.
